

2nd announcement

§ Theoretical lectures (3D surveying, photogrammetry, laser scanning, etc.)

§ Practical work, in the field and in the lab with commercial and open source processing software

§ The participants will learn the basics in:

§ surveying and data acquisition

§ data processing methods for 3D models and metric products' generation

§ An opportunity for scholars, MSc and PhD students, researchers and specialists, archaeologists, architects, restorers, conservationists, geomatic engineers, in the surveying and heritage fields to deepen their knowledge and expertise with reality-based 3D modelling techniques

Registration + Important information

Registration fee: 500€

The fee includes full board accommodation at the dormitories of the University of Zadar

Registration before: 31 May 2018

Please send your CV and express your interest to: stratos.stylianides@gmail.com

website: <http://cipa.icomos.org/>
