

Candidatures for the election to the Board Guidelines for their presentation

In accordance with the ICOMOS Statutes, the 20th General Assembly will elect the following members of the Board by secret ballot for a term of three years (2020-2023): a President, a Secretary General, a Treasurer, five Vice Presidents and twelve Board members. As the Board will be elected first, candidates for the Bureau are required to indicate whether if elected they intend to stand for the Bureau. According to Article 6-e of the ICOMOS Statutes only individual members shall be eligible for office within ICOMOS.

Board members are jointly responsible for the managerial and fiduciary well-being of the organization as well as for guidance and oversight to ensure excellence in the execution of programmes and activities. Between General Assemblies, the Board acts on its behalf, deliberates on all matters necessary to ensure conformity with ICOMOS' mission and implementation of the directions set by the General Assembly, as well as financial health and compliance with the legislation applicable to associations.

The Board meets physically at least twice a year, usually in March in Paris and in October/November in conjunction with the meeting of the General Assembly/Advisory Committee. During the past triennium, the Board also met via teleconference between physical meetings – approx. 4 to 5 times a year. All Board members are expected to attend these meetings. The Bureau usually meets before Board meetings; extra Bureau meetings may be conducted by teleconference.

Board members are expected to actively contribute to the Working Groups of the Board with the understanding that additional virtual as well as actual meetings in various locations may be held over the course of the year.

Board and Bureau members may be invited to serve on the World Heritage Panel depending on the nature of the nomination files being evaluated in any particular year.

Candidates for election to the Board should bear in mind that the current budgetary restrictions of ICOMOS preclude the provision of any funding to support individual expenses for attending any of the above meetings.

Following verification by the Candidatures Committee, a preliminary list of candidatures shall be published end of August/beginning of September on the ICOMOS website and Info for Members newsletter (will be published: the brief résumé, statement of intent and photograph of the candidates).

All nominations must be received no later than 60 days before the election is due to be held, **that is at the latest by 3 October 2020**.

The Candidatures Committee, having examined all files nominating candidates for election, shall convey the final list of eligible candidates to the Elections Committee and the Secretariat at least 30 days before the election is due to be held, that is by 3 November 2020. The Secretariat shall make the list of candidates available for inspection at least 14 days before the election is held, that is by 19 November 2020 (will be published: the brief résumé, statement of intent, photograph and video presentations of the candidates)

A candidate for election to the Board or Bureau may withdraw his candidature, or notify a change to the position for which he seeks to be elected (subject to complying with the candidature requirements set out in Articles 63-2 and 63-3 of the Rules of Procedure), up to 48 hours before the election begins.

According to article 63 of the Rules of Procedure, and previous well-established practice in ICOMOS, the nomination files must include the following:

In addition, taking into account that the 20th General Assembly will now take place online, and so as to limit the length of these online sessions and ensure that all voting members have the opportunity to view the candidates' presentations, all candidates are invited to pre-record their candidate presentations as a video that will be made available on the ICOMOS website ahead of the meeting. There will be no candidate presentations during the on-line sessions in December.

Maximum length of presentations:

- Candidates to the Bureau (President, Secretary General, Treasurer, Vice Presidents) = 3 minutes
- Candidates to the Board = 2 minutes

The video should be accompanied by a Word document that includes the script in English, French or Spanish (i.e. the words spoken by the candidate in the video).

The International Secretariat will subtitle the videos

- In English for presentations made in French
- In French for presentations made in English
- In English for presentations made in Spanish

The video presentations should be sent by email (or WeTransfer/Dropbox) in either English, French or Spanish at the latest 60 days before the start of the General Assembly – **that is by 3 October 2020**. The candidates' presentations will be posted online 2 weeks before the General Assembly once they candidatures have been validated by the Candidatures Committee.
