DEADLINES	REGISTRATION FEE		
	ICOMOS members	Non-members	Accompanying persons
Until 17 July 2005	300 US\$	375 US\$	200 US\$
From 18 July to 17 September 2005	400 US\$	475 US\$	250 US\$

2. SELECTION OF PAPERS FOR THE SCIENTIFIC SYMPOSIUM

The call for papers gave rise to an extraordinary response and we have received a record number of abstracts – **over 560 !** The large amount of very good material received means that competition for presentations will be tough and has somewhat delayed the selection process. The four Scientific Committees appointed to select the papers for each section will be handing in their results to the Secretariat by 1 July and the scientific programme will be finalized as soon as possible after that and authors notified. Please bear with us. With this in mind, selected authors will be given until 15 August to provide their full papers for publication (instead of 30 July as previously announced)

3. POST CONFERENCE TOURS – ALL TOURS WILL RUN REGARDLESS OF THE NUMBER OF REGISTERED PARTICIPANTS

Please be assured that our colleagues in Xi'an have guaranteed us that all post-conference tours will run regardless of whether 10 persons register. That is to say that NO tour will be cancelled due to under registration. The travel agents may however fill up any spare places with non-ICOMOS participants.
